Anthony Nolan Weekly Lottery Rules, Terms & Conditions

1. These terms and conditions set out the Rules for the Anthony Nolan Weekly Lottery (“the Weekly Lottery” or “the lottery”). By purchasing a weekly lottery entry, a player agrees to be bound by these Rules.
2. Applications must be from players aged 18 years old or over. No person under this age is allowed by law to enter the Anthony Nolan Weekly Lottery. Any person found to be under 18 years of age automatically forfeits the right to any prize.
3. Paid employees of CFP Lottery and Raffles Ltd (Anthony Nolan’s External Lottery Manager) directly involved in running the lottery or who could have influence over the running of the lottery are not eligible to enter the weekly lottery. Paid employees and volunteers of Anthony Nolan directly involved in running the lottery or who could have influence over the running of the lottery are not eligible to enter the weekly lottery.
4. Complaints will be handled in line with the complaints procedure found within [Anthony Nolan's FAQ's page](#). Complaints that cannot be resolved by Anthony Nolan to the satisfaction of the complainant will be escalated to The Independent Betting Adjudication Service Ltd (IBAS), whose ruling will be binding.
5. The cost of each entry is £1 (which can be paid monthly by Direct Debit for £4.34 per month). Players may purchase more than one entry, and payment must be in advance and full payment must be received in the form of cleared funds before the number can be entered into the draw. Entry is open to all GB residents but excludes Anthony Nolan employees and third parties directly involved in the administration or management of the Weekly Lottery. The current maximum number of entries you can buy is five. After your final entry into the Weekly Lottery, any sum then remaining under £1 remaining in your account will be donated to Anthony Nolan.
6. A unique lottery number(s) will be generated and confirmed by post within 21 days. The number(s) will remain the same each week. No ticket(s) will be supplied.
7. The weekly draw will be conducted every Friday, except where it is a bank holiday in England and Wales, when it will be the previous or next working day when the banks are open for business. The draw will be conducted by a random number generator which will select a six-digit number (the Winning Number). Only Lottery numbers for players with sufficient credit at the time of the draw will be eligible for prizes. Late or missed payments may result in player’s lottery numbers not being eligible for every draw.
8. The Winning Numbers will be published on the Anthony Nolan website (<https://lottery.anthonynolan.org/winners>) and will be available from the Weekly Lottery Helpline on 01628 200 681. Results will be available from the Monday following the draw or if the Monday is a bank holiday in England and Wales, on the next working day. Anthony Nolan reserves the right to use the winners’ names for

promotional purposes. These will only be in summary, for example Mrs Jones from London.

9. Winning combinations will be for players' lottery numbers which match three or more of the digits in the correct position within the Winning Number. There are no alternatives to any prize and no interest will be payable. If you pay by Direct Debit, prizes will be paid directly into your bank account, otherwise a cheque will be sent within 21 days. Any cheques remaining uncashed for over 6 months will be cancelled by Anthony Nolan and the unclaimed prizes will be donated to Anthony Nolan.
10. Prizes are as follows: Match 6 numbers in the right place for a prize of £10,000. Match 5 numbers in the right place for a prize of £1,000. Match 4 numbers in the right place for a prize of £25. Match 3 numbers in the right place for a prize of £5.
11. Anthony Nolan reserves the right to disqualify any player if it has reasonable grounds to believe the player has breached any of these terms and conditions.
12. Nothing within these terms and conditions will create or should be construed as creating any form of contract between any lottery player and Anthony Nolan.
13. Anthony Nolan will not be liable to any lottery player for any loss or damage suffered or arising from:
 - a) any delays or failures in the postal service or other delivery methods used by Anthony Nolan, or the lottery player from time to time;

Anthony Nolan's liability to any winner shall be limited to the amount of any prize which has become due to him/her.
15. Anthony Nolan or its External Lottery Manager may (without giving any reason or notice) decline to accept an application, cancel an existing subscription or terminate or suspend the lottery scheme. Anthony Nolan or its External Lottery Manager's decisions made regarding the rules shall, once made, be final and binding.

In the case of releasing funds to an executor, written proof of executor status will be required.
23. Anthony Nolan maintains records of players' lottery entry money (defined as "customer funds") separately from general charity funds. This means that steps have been taken to separately account for customer funds from charity funds. However, these funds are not protected in the unlikely event that Anthony Nolan becomes insolvent. This meets the Gambling Commission's requirements for the segregation of customer funds at the basic level of protection.
